

## Meet & Greet Confirmation

**Thank You for Registering for Classics 4 Kids Meet & Greet program!**

### **CANCELLATION POLICY**

Classics 4 Kids has a **No Cancellation Policy for programs**. Once your reservation is confirmed with us, that timeslot is filled and no longer available for us to book with another group. In the event that you do need to reschedule, we require **notice 24 hours prior** to your scheduled performance. Any cancellation or reschedule request within 23 hours of your scheduled program time will result in a **\$50 cancellation fee**.

### **RESCHEDULING**

Classics 4 Kids will accommodate a one-time rescheduled presentation within **60 days** following the initially scheduled date. We are unable to guarantee the same musician to visit your class.

### **IN-CLASS PREPARATION**

You will be provided with an informational packet prior to your Meet & Greet, which will introduce your class to their visiting musician and provide some information about the instrument(s) they will be showcasing. We encourage you to share this information with your class to prepare for the presentation. While we do our best to ensure your scheduled musician, this is not guaranteed and musicians are subject to change at the last minute.

Please contact Corrine Huber at [chuber@classics4kids.org](mailto:chuber@classics4kids.org) with any questions.

**We're excited to share our program with your students!**
