

Palm Strings

A Ukulele Fundraiser

classics 4 kids
EST. 1994

Dear Classics 4 Kids Supporter,

Classics 4 Kids, a 501(c)(3) nonprofit, has been transforming young lives through the power of music, bringing high-quality music education to over 40,000 TK-6th grade students annually in San Diego since 1994. With a strong focus on under-resourced Title 1 schools, we inspire learning, creativity, and community through immersive live and virtual programs.

We are excited to invite you to support **Palm Strings: A Ukulele Fundraiser** — a special event to explore the ukulele while enjoying tiki-themed food and drinks and learning about our newest initiative! This event takes place on Sunday, May 18th – 3-5 PM at Vinya (6185 Balboa Avenue, San Diego).

This event will raise funds for our Ukulele Scholarship Program, which places skilled music instructors directly into classrooms to provide hands-on ukulele lessons. This experience will ignite passion, build confidence, and nurture a lifelong love of music. Our goal is to raise **\$7,500** for our scholarships to support underserved schools in San Diego that lack funding to participate in this hands-on program. You can help make it happen.

Together, we can ensure that more students have the opportunity to experience the joy of learning music, developing a sense of accomplishment and pride. **We invite you to participate in this event as a Sponsor at one of Three Premier Donation levels:**
